

In this era, don't confuse education with intelligence; you can have all the experience or the academic ability, but still, this will not predict your career success

---

Your opportunity to succeed in the Post COVID era, will depend a great deal on your ability to be Emotionally Intelligent (EQ)

*Are you ready for the future!*

# EQ for Young Adults

*by Tripat Mehrotra*

Certified EQ Fellow by Six Seconds

Academic ability does not necessarily predict college success.

Join EQ to be

More aware

More deliberate

More purposeful

## Get your personal Brain Discovery Profiler (BDP)

The best-in-class EQ assessment and responses are analyzed using a special algorithm utilizing all 20 normative scales.

BDP profiles bring a decade of research into an easy-to-use single page profile with profound value for learning, coaching, performance management, selection, and growth

- Learn the concept of EQ in a simple and clear framework of Six Seconds
- Recognise your highest/lowest EQ talents
- State how does your brain focus, decide and drive
- Evaluate how you can put EQ talents in action
- Identify and utilise your brain's key strengths for creating the future
- Get insights for your own executive coaching camps

Healthy Emotions +  
Clear Thinking +  
Appropriate Action =  
**HIGH EQ =  
CAREER SUCCESS**
