In today's complex world,  
- leadership means  
influencing and  
empowering rather than  
ordering, or  
micromanaging

# GET YOUR COACHING REPORT

Learn the structure of Performance Coaching using EQ & the COACH model

Know your strengths and developments of Performance Coaching

As an Emotionally Intelligent Performance COACH, give up your old style of leading and learn how to be:

More aware

More deliberate

More purposeful

## Be a new world leader

&

## Boost your employability
