## ACE TRAINER

Learn how to create and  
conduct Effective,  
Efficient, and Engaging  
Soft Skills programmes

Adapt, develop and deliver training programmes as per your business needs or school curriculum

Facilitate confidently in front of a group

Keep all your organisation's internal training/ programmes at an equal and professional standard

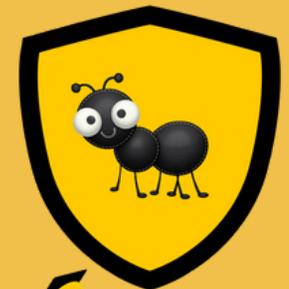

**Build outstanding  
Training and Education  
topics on three  
Es.  
Effective, Efficient,  
and Engaging**

This programme is designed to upgrade your class room training skills

We will give you framework of setting the objectives, researching key topics, different learning styles, choose training flow, evaluating, bringing work related examples, storytelling

In short, we will develop you as "today's" trainer!

**DeANTS**  
"Your outsourced learning  
and development partners"
